

I am a director for RUN productions LTD.

I had the pleasure of working closely with phil Lewis and Julie Anderson during the production of a short film: 'Mr blood'. Phil and Julie provided art department services over the course of 3 weeks leading up to the shoot, and throughout the 5-days of production. Phil and Julie handled scenery, prop, costume and set-building with an incredible degree of professionalism, knowledge and diligence.

I found phil and Julie to be honest, dependable and completely genuine in all their dealings with me and the crew; the entire production could not have happened without their talent and relentless efforts.

I would have no hesitation in using their services again and in recommending them to others.

Yours faithfully,

Jack King
