

To whom it may concern:

I am a producer / director for Elevator Gods Ltd.

I have worked with Phil Lewis and Julie Anderson of Secrets Of... on Elevator Gods in May 2011 for which Secrets Of... provided scenery/props/costume/art dept services.

I have found both Phil and Julie to be honest / hard-working / dependable / professional / reliable / in their dealings with me.

I would have no hesitation in using their services again and in recommending them to others.

Yours faithfully, Pete Hunt
